Key Speaker: Doug Rose

Doug Rose has worked in the hardscape industry for 29 years wearing many different hard hats. He started his diverse career working as an installer, then as a project manager, for a local hardscape installation company. Doug then transitioned to a Customer Service Representative position, which led to an outside sales position where he handled both distribution and commercial and architectural sales in a multi-state territory. His next move involved direct distribution, working as sales manager at a brick, stone and landscape supply center. Doug is currently handling paver sales and marketing for 27 states for Pine Hall Brick, the largest producer of clay brick pavers in North America. He is a multi-level ICPI Certified Installer who has been an active participant for over 15 years on the Brick Industry Association's Landscape and Paving Council, working to educate, promote, and advance the clay brick paver
