Our Speakers:

Dane Buell serves as Director of General Tree Care for all 23 SavATree operating locations. Dane is currently Chairman for the American National Standards Institute A300 committee. His credentials include over 25 years of commercial arboriculture experience, and he is credentialed as a Registered Consulting Arborist, ISA Certified Arborist, and Certified Tree Care Safety Professional.

Ed Gregan attended the Rhode Island School of Design where he studied Landscape Architecture. He has over 35 years in the nursery industry and has worked for Carlton Plants, LLC for the past 7 years.

Jessica Lubell is an Assistant Professor of Ornamental Horticulture at the University of Connecticut and cooperative extension specialist in nursery crops. She has 12 years of experience working with the Connecticut green industry. She has specific experience with landscape use, propagation and container production of native shrubs.

Darryl Newman is a University of Maryland graduate with a degree in Landscape Management. He worked as a Project Manager for prominent landscape design/build firms in the Washington, DC area before returning to Planters' Choice. Darryl is also a director for the Connecticut Nursery and Landscape Association.

Peter Trenchard is an Inspector for the Connecticut Agricultural Experiment Station.

Complete the form below and mail with your check payable to "CTASLA" to:
J.M. Communications, 35-31 Talcottville Road, Suite 318, Vernon, CT 06066.
