### *About ASLA*

Founded in 1899, ASLA is the national professional association for landscape architects, representing more than 16,500 members in 48 professional chapters and 68 student chapters. Landscape architecture is a comprehensive discipline of land analysis, planning, design, management, preservation, and rehabilitation. ASLA promotes the landscape architecture profession and advances the practice through advocacy, education, communication, and fellowship. Learn more about landscape architecture online at [www.asla.org](http://www.asla.org). To learn more about the Connecticut Chapter, see [www.ctasla.org](http://www.ctasla.org).
