About ASLA

Founded in 1899, the American Society of Landscape Architects is the national professional association for landscape architects, representing more than 18,000 members. ASLA promotes the landscape architecture profession and advances the practice through advocacy, education, communication and fellowship. Learn more about landscape architecture online at <http://www.asla.org>. For more information on activities of the Connecticut Chapter, please see our website at <http://www.ctasla.org>.
